

Religious Intolerance!

Middle Eastern countries claim that Israel is driving Palestinians out of Israel.

If that's true, why is the Arab population in Israel rising and the Jewish population in Arab countries falling?

DECLINING		
Jewish Population in Middle East Countries		
	1948	2000
Algeria	140,000	less than 100
Egypt	75,000	200
Iran	100,000	12,000 – 40,000
Iraq	150,000	100
