Terrorism can only succeed when people of good conscience do nothing. Here are some easy ways to do your part:

1. **Write to the President frequently.** Thank him for everything that he has done to stop terrorism. Ask him to continue supporting Israel's war on terrorism because the U.S. and Israel are fighting the same enemy. See [www.standwithus.com/actions](http://www.standwithus.com/actions) for the address and fax information.
2. **Thank your representatives for fighting terrorism.** It's easy. Just go to AIPAC's action site, [capwiz.com/aipac/dbq/officials/](http://capwiz.com/aipac/dbq/officials/). It's important to reward representatives for anti-terror voting records.
3. **Write to the UN.** It's time the UN stopped turning a blind eye to terrorism. Monitor what's happening at [www.unwatch.org](http://www.unwatch.org), then send your letters to the US Ambassador to the UN. See [www.standwithus.com/media.asp](http://www.standwithus.com/media.asp) for letter-writing tips and contact information.
4. **Monitor the media.** Terrorists aren't "militants." Educate journalists. Encourage the media to provide more balanced reporting. See [www.standwithus.com/media.asp](http://www.standwithus.com/media.asp) for letter-writing tips and contact information.
