

## **We Demand Justice for Sarah Halimi!**

Thousands continue to gather around the world to demand that the man who murdered Sarah be held accountable. Kobili Traore tortured Sarah, and then threw her body off her balcony in Paris, shouting "I killed the devil". He later told a judge that Sarah's Jewish items -- a menorah and siddur -- angered him.

Traore will not be held criminally responsible because he smoked marijuana before the attack.

**All those who were  
supposed to protect Sarah  
and the French Jewish  
minority have failed to  
protect them.**

### **How Can YOU Help?**

- Call, fax, and write to your local French consulates and/or embassy offices.
- Use your social media platforms to spread awareness about the situation. Use these hashtags:
  - #JusticeForSarahHalimi
  - #JeSuisSarah
  - #JeSuisSarahHalimi
  - #EndJewHatred
  - #JusticePourSarahHalimi
- Don't be rude or abusive but do be firm in calling for justice and for changing the law.

### **What to ask for when you call and write:**

- Bring justice for Sarah Halimi by identifying circumstances that finally allow a trial.
- Change the law immediately and name it for Sarah Halimi. This will not give justice to Sarah, but in the future, it will give justice in Sarah's name.
- Call for the resignation of the lower court Judge, Ihuellou, who first dismissed the trial.
- Direct and empower the police to better protect the French Jewish minority.
- Engage with the French Jewish minority to begin to heal this wound.
